

AMHOA ARCHITECTURAL REVIEW REQUEST

Instructions: Please complete the information below and return this form to the Architectural Review Committee. Describe the type of work, materials to be used, location, and start date. The Architectural Review Committee will then convene, and notify the Homeowner of its decision within 30 days after the completed request has been properly submitted and filed.

Notes to Homeowner: It is your responsibility to comply with all city, state and federal codes and obtain all required permits. If the ARC or the AMHOA Board approves this request, this in no way implies that you have met the city, state and federal requirements by law.

Approval of the plans is not intended to be an approval of the structural stability, integrity, design or safety of any component, but is required solely for the purpose of insuring compliance with the covenants of the declaration and to ensure harmonious and orderly architectural development of the Property.
